

Chapter 836 (2017 Acts of Assembly)

ITEM 1

T.1. The Chairmen of the House Appropriations and Senate Finance Committees shall each appoint four members from their respective committees to a Joint Subcommittee for Health and Human Resources Oversight to respond to federal health care changes, provide ongoing oversight of the Medicaid and children's health insurance programs and oversight of Health and Human Resources agencies. The members of the Joint Subcommittee shall elect a chairman and vice chairman annually.

2. The Joint Subcommittee shall monitor, evaluate and respond to federal legislation that repeals, amends or replaces the Affordable Care Act (ACA), Medicaid (Title XIX of the Social Security Act), the Children's Health Insurance Program (Title XXI of the Social Security Act) or any proposals to block grant or change the method by which these programs are funded. The joint subcommittee shall recommend actions to be taken by the General Assembly to address the impact of any such federal legislation that would affect the state budget and health care coverage now available to Virginians. Furthermore, the subcommittee shall evaluate federal changes for opportunities to improve Virginia's Medicaid and other health insurance programs.

3. The Joint Subcommittee shall provide ongoing oversight of initiatives and operations of the Health and Human Resources agencies. The joint subcommittee shall examine progress made in implementing changes to: (i) Medicaid managed care programs, including managed long-term supports and services (the Commonwealth Coordinated Care Plus program) and changes to the Medallion program; (ii) Medicaid waiver programs including the Medicaid waivers serving individuals with developmental disabilities; (iii) the Medicaid Enterprise System; (iv) improve eligibility, enrollment and renewal processes in the Medicaid and CHIP programs; (v) the organizational structure and realignment of staff and resources of the Department of Medical Assistance Services resulting from the change from a fee-for-service to a managed care delivery system; (vi) improve the cost effective delivery of services through the Comprehensive Services Act; and (vii) initiatives and programmatic changes across the Health and Human Resources agencies to ensure efficient and effective use of resources across the Secretariat.

4. The Joint Subcommittee may seek support and technical assistance from staff of the House Appropriations and Senate Finance Committees, the staff of the Joint Legislative Audit and Review Commission, and the staff of the Department of Medical Assistance Services. Other state agency staff shall provide support upon request.

5.a. The staff of the House Appropriations and Senate Finance Committees shall help facilitate the scope of work to be completed by the Joint Subcommittee for Health and Human Resources Oversight.

b. The staff of the Health and Human Resources and Elementary and Secondary Education Subcommittees for the House Appropriations and Senate Finance Committees shall facilitate a workgroup, in cooperation with the Office of Children's Services (OCS), the Virginia Department of Education (VDOE), the Department of Planning and Budget, the Department of Social Services, and the Department of Juvenile Justice, to examine the options and determine the actions necessary to better manage the quality and costs of private day educational programs currently funded through the Children's Services Act (CSA). Other stakeholders, such as those from local governments, school superintendents or their designees, CSA Community Policy and Management Teams and Family Assessment and Planning Teams, special education administrators, private providers, parents of special education students and others may provide additional information to the workgroup as requested.

c. In examining the options, the workgroup shall consider: (i) amending the CSA to transfer the state pool funding for students with disabilities in private day educational programs to the VDOE; (ii) the identification and collection of data on an array of measures to assess the efficacy of private special education day school placements; (iii) the identification of the resources necessary in order to transition students in private day school settings to a less restrictive environment; (iv) the role of Local Education Agencies in determining placements and overseeing the quality, cost and outcome of services for students with disabilities in private day educational programs; and (v) an assessment of the Individualized Education Program (IEP) process as compared to federal requirements, including how that process relates to the role of CSA Family Assessment and Planning Team (FAPT) in determining services for students with disabilities whose IEP requires private day educational placement.

d. The workgroup shall examine: (i) funding impacts; (ii) necessary statutory, regulatory or budgetary changes; and (iii) other relevant actions necessary to implement any recommended actions. A report on any preliminary findings and recommendations shall be submitted to the Chairmen of the House Appropriations and Senate Finance Committees by November 1, 2017.
