

**Division-Level Cohort Report**

Class of 2008 (First-time 9th Grade Cohort in 2004-2005)

Generated on Wed Apr 01 19:28:45 EDT 2009

Notes on column headings and data:

< indicates a group below the state definition for personally identifiable results.

Only student subgroups represented in the division are listed.

Long-Term Absence represents students who were on long-term medical leave, emergency family leave, and students who were expelled for one-year. These students have not earned a credential and were not enrolled at the time of this report.

Unconfirmed Status represents students whose records were properly reported to the state but whose status is unconfirmed.

Students with disabilities and students who are limited English proficient who were still enrolled in school were moved into next year's cohort, consistent with the formula approved by the Virginia Board of Education.
