

**Directions to
Rockingham County Administration Center**

Fire and Rescue Training Room

20 East Gay Street

Harrisonburg, VA 22803

540-564-3000

From Interstate 81, take Exit 247 B (Route 33 West - Market Street). Go west on Route 33 (East Market Street) until you come to the fifth traffic light (Mason Street). Turn right on Mason Street. At the third traffic light (Gay Street) turn left. At this corner will be a 7-11 store on your right. After you turn onto Gay Street, the Rockingham County Administration Center is the long building on your right between Mason Street and Main Street.

If you miss turning right onto Mason Street at the fifth traffic light, you can continue onto the center of town where the Court House is directly in front of you. At this traffic light (sixth light) turn right onto Route 11 (Main Street) as this is a one-way street.

Continue on Main Street in the right hand lane to the third traffic light (Gay Street). There is a gas station/convenience store on the corner to your left. Turn right onto Gay Street and our offices will be on your left.

The Board of Supervisors meeting room is inside the Main Entrance under the clock in the center of the long building that runs parallel to Gay Street. Go through the glass doors and the meeting room is immediately to your left – double wooden doors.

If you have questions or problems, call Tammy Gray or Gretchen Sallah at 540-564-3027.
